

Students First.

2019-20 Washtenaw ISD Board Goals

Because we put students first, and consistent with the Education 20/20 plan, the WISD Board has established these goals, adopting a lens of equity, inclusion, and social justice.

Board Commitment

Resource allocation, policy, and practice is designed to close the opportunity gap to ensure equitable educational access for all students, with a specific focus on achieving an equitable system for students in poverty, students with disabilities, and students of color.
